HOW TO TALK TO KIDS ABOUT CONSENT & PEER PRESSURE

G-CODE

BY GENTLEMEN'S FACTORY

VIRTUAL COHORTS BEGIN

Nov 3

Only 10 seats per cohort

Before he steps onto campus, *give him a code.*

Live, small-group virtual cohorts for **young men in grades 7-12** and **the parents raising them**, led by **Jeff Lindor**, founder of Gentlemen's Factory. He leaves with a plan and the words for the moments that define him, and you leave with the words to keep talking at home.

CONSENT

What it means, clearly: legally, ethically and in real life.

COURAGE

Practiced words for stepping in when a friend crosses a line.

AWARENESS

Read the room, have a plan, know when to leave.
